- Presidential suites, Royal suite and SHA Residences' rates are per suite/residence regardless of the number of occupants. The maximum number of adults is 4.

PROGRAMME RESERVATION CONDITIONS

- The programmes offered at SHA have been designed by the medical team to achieve the indicated health goals. In order to ensure adequate therapeutic evaluation and achieve the desired results, booking a health programme is mandatory on your first stay at SHA. Additional treatments and services may be reserved as desired.
- For returning guests, although it is still advisable to book a health programme, it will be possible to design your stay using treatments and services *à la carte*, without a scheduled health programme.
- If a health programme is not booked, a full-board meal regime (220 USD/person per night of stay) will be automatically added to your reservation. In order to have access to the Kushi diet, medicinal teas and therapeutic fasts, a healthy nutrition consultation must be booked (USD 200). If you already had a SHA nutritional consultation in the 6 months prior to your visit, you may instead book a nutritional plan validation (USD 100).

BOOKING CANCELLATION POLICY

- As long as you give at least 14 days' notice, you may cancel your reservation without penalties, except for a 3% administrative fee. After this period, a penalty equivalent to 50% of the total contracted stay will be charged.

- If more than 30 days have elapsed since the payment of the deposit, the refund can only be made by bank transfer to the guest's preferred account.

All cancellations must be notified to the Reservations Department by email.

BOOKING MODIFICATION POLICY

- You may change your arrival date without fees as long as you notify us 7 days in advance.
- If you modify your arrival date fewer than 7 days before the booked date, the following fees will apply:
550 USD per person if the new arrival date is within 48 hours (before or after) of the original date
1,100 USD per person if the new arrival date is more than 48 hours (before or after) from the original date
- If the modification's notice is received on your scheduled arrival date, in addition to the previous fees, we will charge one night's stay. As an exception, we may waive the above charge if the original number of booked nights is unchanged.
- If the check-in date had already been modified, any successive cancellation will incur in cancellation fees, for the total amount of the deposit initially paid.

CANCELLATION POLICY AND MODIFICATION OF PROGRAMME AND / OR EXTRA TREATMENTS

- The booked programme may be replaced by another programme or, for returning guests, by *à la carte* treatments, up to 7 days before the arrival.

350 USD in the event of cancellation* or replacement of 4-day programme.
550 USD in the event of cancellation* or replacement of 7-day programmes.
800 USD in the event of cancellation* or replacement of programmes of 7-day with additional contracted weeks .

*Cancelling a programme requires booking another programme or, in the case of returning guests, booking nutrition plan with treatments and/or services *à la carte*.

- The penalty shall not be applied when it is in favour of a programme of a higher amount.
- Additional treatments and services booked may be substituted during the stay for other treatments and/or services, but may not be cancelled, except for 30% of the total pre-contracted amount.
