

ESCAPE

BEACH & RESTAURANT

CONCEPT

ESCAPE is a unique lifestyle and dining concept inspired by the “Joie de Vivre” of the Southern Seas, providing the city of Budva with an authentic Beach Restaurant experience.

Open only during the summer season, it stands hidden in the most remote and beautiful part of Dukley Resort, surrounded by nature and the deep blue of the Adriatic Sea. The destination offers moments of calm and privacy.

Playing on all the senses, the chic, discreet and natural setting, guests will discover a reprieve from the outside world, while authentic South Mediterranean flavors stimulate the palate.

Escape is a perfect choice whether you are seeking a chic daytime chill-out spot or an evening to remember!
