

***Seafront Restaurant by Dukley***  
*A Modern Mediterranean Restaurant & Bar*

## CONCEPT

The flagship restaurant of Dukley Hotel & Resort is a stylish venue offering exceptional food and local produce, crafted with precision and inspired by the flavors of the Mediterranean.

D.S.R strikes the perfect balance between a casual meal during lunch and a gourmet dinner experience, showcasing our team's commitment to fine food and impeccable service.

Its sophistication will come from its simplicity, the best quality ingredients, presentation, art de la table, cooking techniques and the impressive "Fresh Market" which carries the freshest products displayed at a hand's reach.

Made to order, the Fresh Market concept aims to please our guests with a "Made Fresh Just for You" special section in our menu consisting of a large selection of catch of the day, fresh lobsters and a premium dry aged beef cuts selection.
