KNOW-HOW & daring

Guerlain opened its Institute and aesthetic training school in 1939. It has since trained all its Beauty Experts there, inspiring them to be ambassadors for Guerlain excellence. Throughout the world, these Experts carry out treatments requiring tremendous technical skill, such as the 19-minute facial treatment, which is considered as an industry standard. Spurred on by its pioneering and enterprising vision, Guerlain has been developing massage techniques that combine tradition and innovation for the past 80 years.

With its years of know-how and expertise, Guerlain ensures that every single treatment is an outstanding and personalised experience. Guerlain Beauty Experts perform Guerlain protocols with perfect skill, while being attentive to each individual. The diagnosis stage allows the Experts to adapt their movements and pressure to meet precise needs and expectations. For a unique and absolutely unforgettable experience...

LASTING RESULTS

A WAKENING the senses

Inside an intimate cocoon, soothed by relaxing music, the senses are aroused and the mind is calmed. Before each treatment, Beauty Experts ask each guest to choose their own olfactory theme to create an atmosphere of relaxation and serenity. This theme helps to encourage gentle relaxation and to ensure that the journey to well-being is enjoyed to the full.

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, is an unforgettable experience.

EXCLUSIVE TREATMENTS

Signed by Guerlain for The Woodward

INSPIRED BY THE UNIQUE ESSENCE OF GENEVA, GUERLAIN HAS DRAWN ON A WEALTH OF EXPERTISE TO CREATE A RANGE OF EXCLUSIVE EXPERIENCES THAT OFFER TRUE REGENERATION OF BODY AND MIND.

FACIALIST PERFECTION 1 HR | 1.5 HRS

This high-tech facial treatment combines three cutting-edge procedures with exceptional results on the regeneration and radiance of the skin. The Facialist Perfection Treatment begins with an exfoliating and brightening microdermabrasion. Precise facialist gestures performed by the Guerlain Beauty Expert sculpt the face, erase wrinkles and smooth the skin. As a final touch, the process of photobiomodulation regenerates collagen and elastin for a perfectly even and luminous complexion. A genuine new skin effect - facialist perfection signed by Guerlain.

SPIRIT OF LAKE GENEVA 1 HR | 1.5 HRS

Specially designed for The Woodward, this experience, inspired by the tranquility of Lake Geneva, promises to renew and indulge the senses. Guerlain has created a perfect blend of harmony and sensoriality for ultimate relaxation. Enveloped in freshness and calm, the body feels lighter, deeply soothed and fully reenergized. The absolutely unmissable Geneva wellness experience.

THE ART OF TAILOR-MADE

Unique experiences

GUERLAIN HAS FINE-TUNED SOME UNIQUE TECHNIQUES
TO PLUMP THE FACE AND SCULPT THE EYES.
UNIQUE MOVEMENTS TO COMBAT THE EFFECTS OF TIME.

TAILOR-MADE TREATMENT 1 HR | 1.5 HRS | 2 HRS

Guerlain tailor-made treatment is sustained by an approach that goes back more than 80 years ... Infinite personalisation, an extraordinary, highly specialised experience: fine combinations of Guerlain products, innovative gestures, rituals derived from know-how of the greatest Eastern and Western masters ... The treatment begins with a meeting, during which the Guerlain Beauty Expert discusses all subjects relating to wellness: including nutrition, physical activity, level of fatigue and stress. This exchange allows her to design perfect pairings for the face and body and meet specific needs rather than simply performing pre-established protocols. At any time, your treatment can be modified and adapted as you wish. Guerlain takes you far beyond the realm of just skincare.

FACE SCULPT 1 HR

The Face Sculpt treatment brings you all of Guerlain's facial expertise in one hour. This cutting-edge aesthetic sculpting massage restores firmness, glow and youth to the skin. With its deep muscular action, it shapes the facial contours, emphasizes the cheekbones, opens up the eyes and erases wrinkles. The facial foundations are deeply enhanced and natural glow is instantly restored. A revolutionary lifting effect to look younger for longer!

TARGETED ZONE RITUAL 45 MINS

Select an area of your choice to ease or pamper - the scalp, eye area or neck & décolleté. You will naturally succumb to this sublime, targeted massage.

ORCHIDÉE IMPÉRIALE

The quintessence of anti-ageing skincare

THE SELECTION OF ORCHIDÉE IMPÉRIALE TREATMENTS
CONTINUES TO EVOLVE, FOR ENHANCED PLEASURE
AND EFFECTIVENESS.

BLACK ORCHID

ULTIMATE ANTI-AGEING TREATMENT 1 HR | 1.5 HRS

In the quest for excellence in the fight against skin aging, Guerlain has created its masterpiece of sensoriality: Black Orchid Anti-Ageing skincare. This revolutionary treatment combines Blackimmune technology with cutting-edge aesthetic gestures to act on almost all of the cells involved in the skin's defence system. Wrinkles fade, skin texture is refined, the facial contour is redefined, the skin is firmer and more elastic and is incredibly radiant. The result is a luxurious, protective cocoon designed to fight against the signs of ageing.

IMPERIAL GLOBAL ANTI-AGEING TREATMENT 1.5 HRS

Guerlain took inspiration from the orchid's prodigious quality of longevity to create the most complete of its exceptional treatments. The combination of aesthetic know-how and the effectiveness of the products in the Orchidée Impériale range provides a moment of ultimate well-being, visibly transforming the skin, giving it a new burst of youth. With the precise gestures of Guerlain Beauty Experts, the stimulated muscles are toned and the facial contour is redrawn. Visible signs of ageing are corrected faster and more intensely. The skin texture is improved in smoothness and regularity. The skin regains its qualities of perfection: to the eye and to the touch, it is soft, velvety, sublimated. An incredible secret of sensoriality and beauty.

ABEILLE ROYALE

Absolute repair

PROVIDING OUTSTANDING NATURAL HEALING PROPERTIES,
BEE PRODUCTS INSPIRED GUERLAIN TO CREATE TARGETED
TREATMENTS TO COMBAT THE SIGNS OF AGEING.

HONEY REPAIR TREATMENT 1.5 HRS

Guerlain brings a new angle to its expert treatment designed with the Abeille Royale range to reap all the benefits offered by bee products. It starts off with a microdermabrasion to perfectly smooth the skin texture, followed by a purifying massage with warm plant infusions to perfectly stimulate the epidermis. Then, each wrinkle is the focus of attention using the Abeille Royale Serum application technique, which acts on the key processes in skin reconstruction. Finally, the new Abeille Royale cataplasms mask, inspired by honey wounds dressings, is applied. It is tailored to the needs of each individual woman to create a smoothing and repairing effect. Through this complex protocol, the signs of ageing gradually fade away. The skin is firmer, and the face opens up and appears illuminated... A catalyst for youth to be enjoyed without moderation.

Body Sculpt is the new generation slimming massage: powerful, with immediate effect, it sculpts the silhouette and unclogs adipocytes. Deep and intense movements warm the hypodermis and stimulate lipolysis, which quickly promotes fat burning. This sequence of kneading, contrasted by a final drainage, soothes and balances the metabolism for long-lasting results. Expert strokes, combined with the effectiveness of Guerlain body products, sculpt the waist while refining the legs and hips. The body is naturally redesigned, the curves more harmonious.
