

HOTEL DU CAP-EDEN-ROC  
CAP D'ANTIBES

*Somebody once said, the world's true beauty is not in its landscapes or its creations, in its natural wonders or man's innovations, but in its people and their relationships.*

*A relationship fuses and flourishes long before a wedding day. Yet it is that day, more than any other, which conjures and crafts images that live long in the memory. But for a wedding day to shine with diamond brilliance it requires an exquisite setting, a pearl of hospitality - Hotel du Cap-Eden-Roc.*

*Perched upon the tip of Antibes, the mysterious Lerins Islands cast as backdrop, the timeless legend that is Hotel du Cap-Eden-Roc, turns precious wedding day moments into magical memories to grace the most refined of celebrations.*
