

An aerial photograph of a tropical beach. The water is clear and turquoise, with gentle waves lapping at a white sandy shore. A single palm tree stands on the beach, its shadow cast long and dark across the sand. Two people are swimming in the shallow water near the shore. The overall scene is serene and idyllic.

Our Refreshing New Ocean View Suites

We're delighted to announce that 12 fresh, new Ocean View Suites are open for reservations.

The architecture combines traditional and contemporary beach house styles, with lofty ceilings, wide verandas and open-air bathrooms. They capture the indoor, outdoor lifestyle that is so much part of the Jumby Bay experience. There are Junior Suites, and two and three-bedroom Suites with private pool. All of course come with the promised sweep of ocean views.

 Outdoor Bath – 152sq.ft.
 Patio/Verandah – 350sq.ft.

The Junior Suite

From the terrace guests have entrancing views across open seas, from here they can laze away afternoons, watching white sails slowly cross the horizon. If inspired, these Suites are just five minutes from the Jumby Bay watersports centre with its flotilla of trimmed hobie-cats. Each Suite has an al fresco soaking tub and garden shower, to refresh

beneath the blue skies. Travellers wake in harmony with the surroundings as sea breeze and birdsong drift through the light, airy interiors. The design is all soft easy comfort with clean lines and a colour palette that sits gently with nature, woody tones, sandy shades and various hues of blue.

 Outdoor Bath – 152sq.ft.
 Patio/Verandah – 997sq.ft.

The Family Suite

TWO BEDROOM

Guests drift through the cool living room, to terrace, to pool and into the ocean view. These naturally splendid Two-Bedroom Suites blend the Jumby Bay indoor, outdoor lifestyle with its special ‘life unscripted’. There’s a well-equipped kitchen for a private chef to whip up a catch-of-the-day lunch. At a whim guests can trip down to the nearby watersports centre for a morning hobie-cating, and like everything on

the island the facilities are all-inclusive. The master bathroom is an al fresco affair with scooped tub and garden shower. Suite interiors are inspired by the surroundings, think wicker armchairs, soft linen shades and various ocean blues. Lazing on the veranda is a dream with the wide blue horizon before you.

The Family & Junior Suite

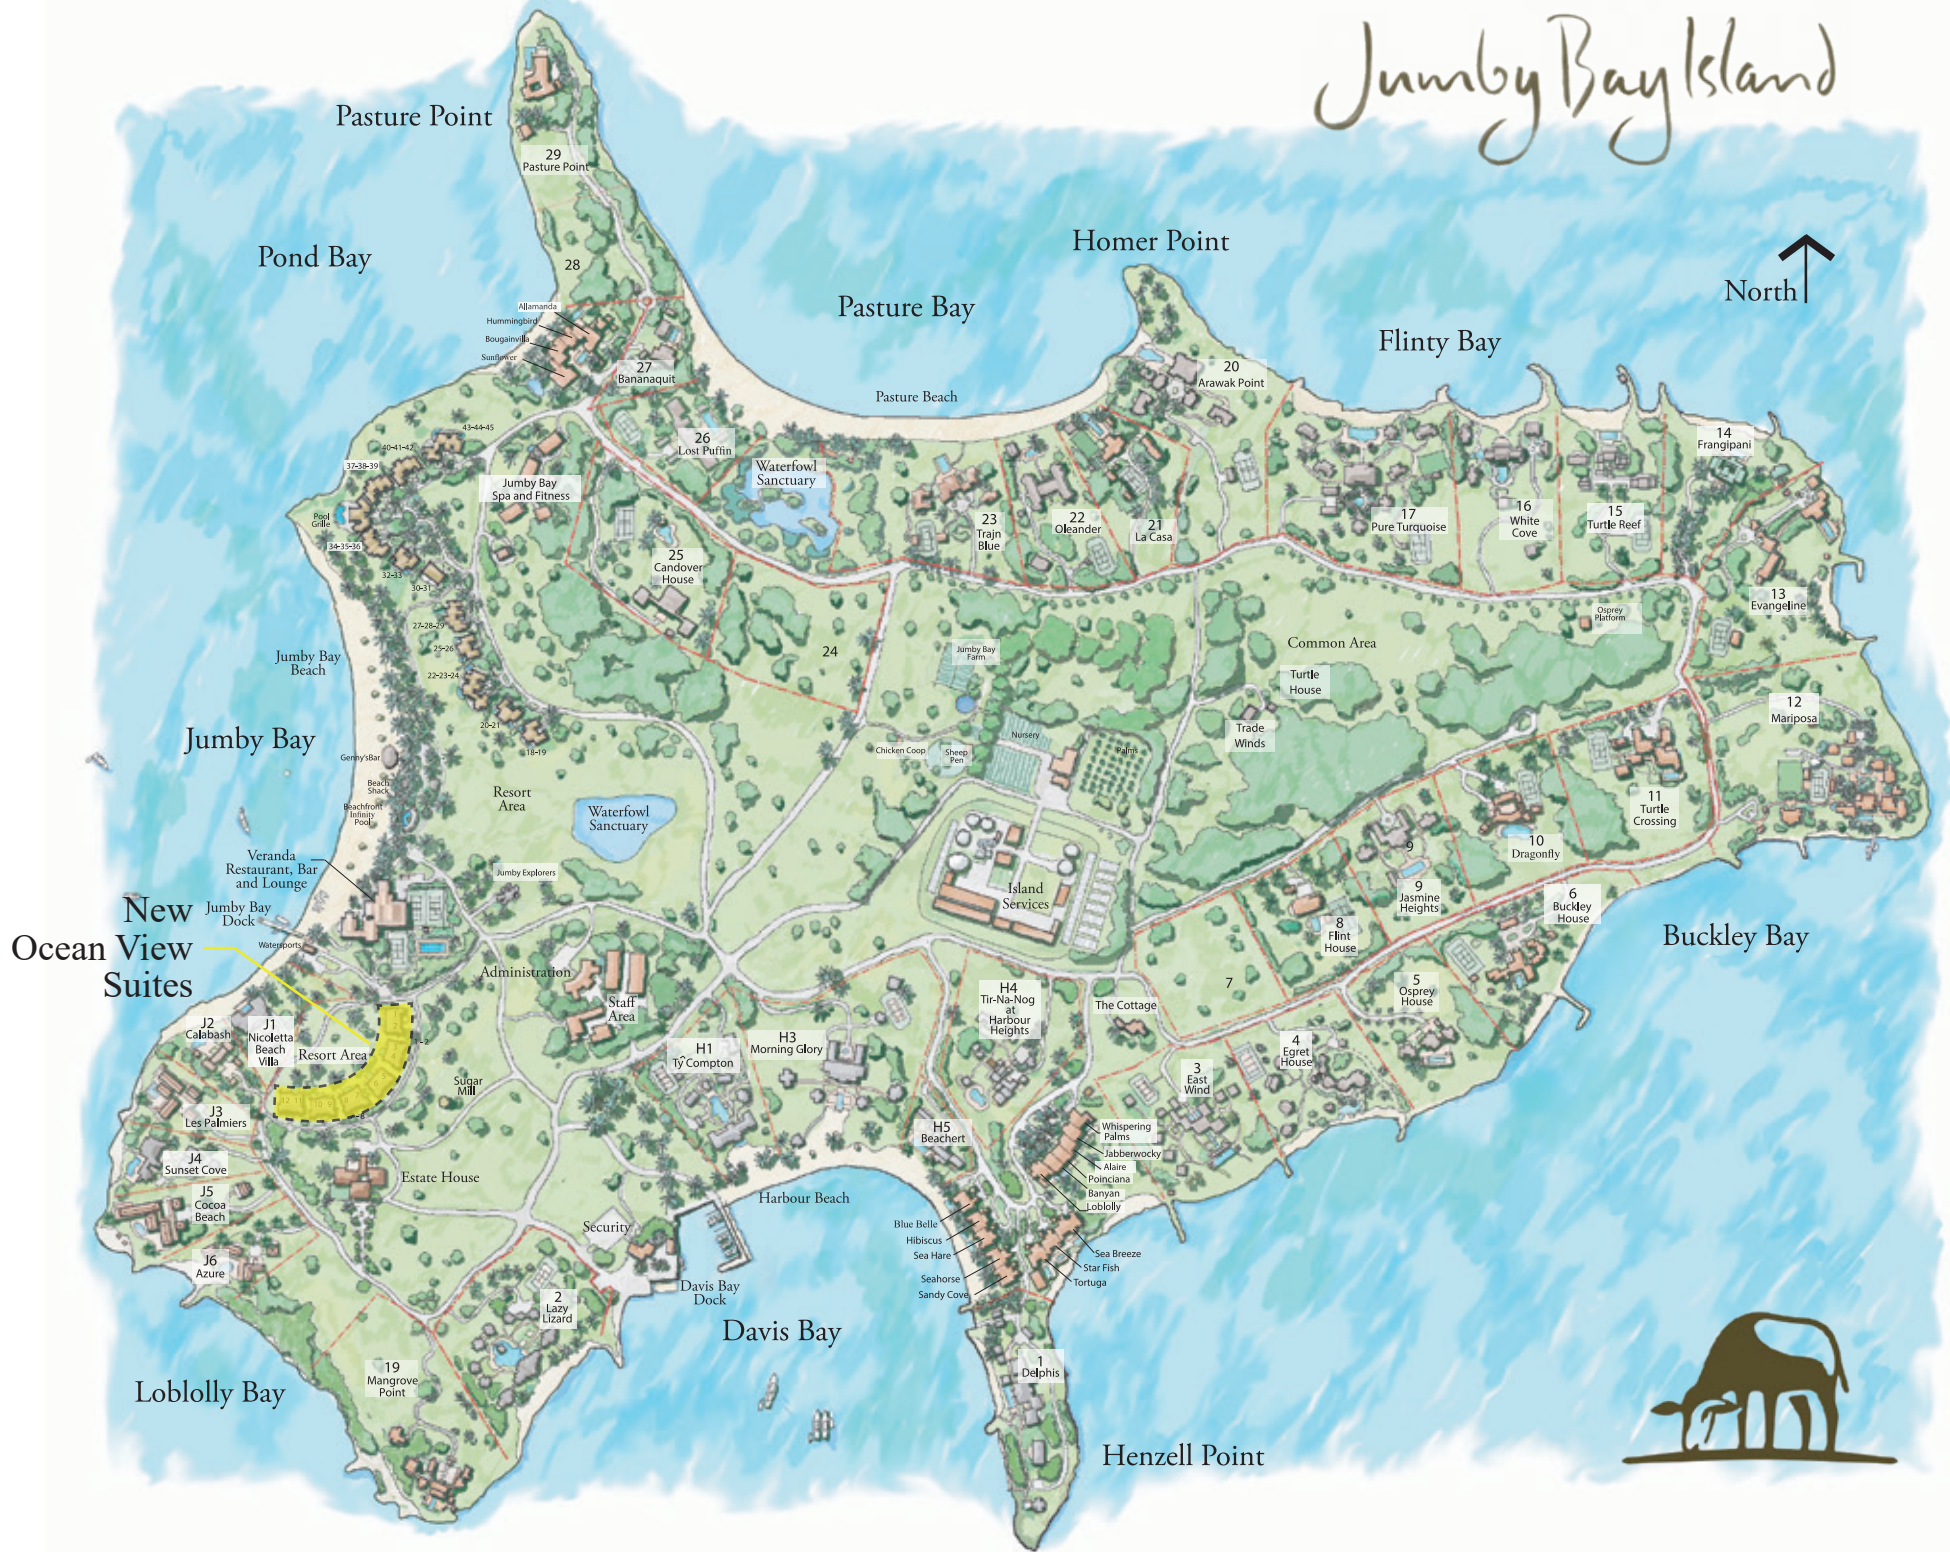

THREE BEDROOM

By combining our Two-Bedroom Family Suite and the Junior Suite we create a lavish three-bedroom spread. Two of the three bathrooms are al fresco with garden shower and scooped soaking tub. The kitchen is ideal for a private chef, with spacious indoor and outdoor dining. Guests have complimentary bicycles to explore the island, and the Suite is just five minutes from the watersports centre, the Veranda Restaurant and classic Estate House. Especially convenient for what we call Jumby Bay 'life unscripted'.

Outdoor Bath – 304sq.ft.
Patio/Verandah – 1347sq.ft.
